Haverford Township Day, Saturday, October 3rd
Darby Creek Trail Ribbon Cutting, Saturday, October 10th
Fall Program Registration, Tuesday, September 8th

Township Manager Update

Fall is one of my favorite times of year. The weather gets a little cooler, the leaves change colors and, if everything goes according to plan, several important Township projects will be finishing up.

By the time you read this, the southern extension of the Darby Creek Trail should be open, connecting McDonald Field to Merry Place and, from there, all the way to West Chester Pike. Improvements at the intersection of Burmont and Glendale Roads should also be complete, providing nearby residents with safer access to the trail.

Elsewhere in the Township, residents can enjoy the new playground and basketball court at Brookline Park, where we're also adding parking for visitors. In addition, we resurfaced the parking lot at Merry Place and continue working on improvements at Polo and Elwell Fields. Projects like these take time to plan, fund and construct, and we appreciate everyone's cooperation while the work is underway. We look forward to enjoying the results for years to come.

Speaking of pedestrians, every year someone asks a very important question: "When is Halloween in Havertown?" The answer is always October 31 here in Haverford Township.

This year, Halloween falls on a Saturday. Although the Township does not establish official trick-or-treating hours, we encourage everyone to help make it a safe evening. Drivers should slow down and expect children to cross streets in unexpected places. Trick-or-treaters should use sidewalks and crosswalks

whenever possible, carry a flashlight, wear something reflective and travel with an adult or a group. Residents who are participating can help by turning on their porch lights and making sure walkways are well-lit and clear of obstacles.

Once Halloween is behind us, our Public Works Department will be fully immersed in another fall tradition: leaf season. Wet leaves can make streets and sidewalks slippery, and leaves covering storm drains can contribute to localized flooding during heavy rain. More information about the Township's leaf-collection schedule and guidelines can be found elsewhere in this newsletter.

Leaf season is also a race against the weather. Our crews work hard to finish before the first snow arrives. When snow falls over piles of leaves, the result is a frozen, soggy mess. It complicates leaf collection, stormwater drainage and snow removal, all at the same time.

As the holiday season approaches, the Township also plans to offer free parking in our business districts on designated dates. Please watch the Township's website, social media pages and email updates for the final schedule. We hope you will take advantage of the program and support our local businesses throughout the holiday season.

On behalf of the Township, thank you for everything you do to make Haverford Township a great place to live.

Wednesday, October 28th
BINGO Night

Proudly Sponsored by

Nature Series

Backyard Composting Workshop

Led by Gwenn Nolan of Mother Compost- learn the basics of backyard composting. If you are a Haverford Township resident, you will be eligible to purchase a Township subsidized compost bin for \$30.

Date: Thursday, October 8th **Time:** 7pm

Location: Virtual **FREE.** Registration required.

Heat Pumps, Induction Stoves & Home Electrification

Local experts will discuss heat pumps for HVAC, water heating and clothes drying, as well as induction stoves that are 3x more efficient than gas.

Date: Thursday, October 15th **Time:** 7pm

Location: Virtual **FREE.** Registration required.

Food Choices for the Climate

Join us to learn how your food choices impact the environment. Taste several dishes and take home the recipes you enjoy.

Date: Monday, October 19th **Time:** 6:30-8pm

Location: CREC **FREE.** Registration required.

Fall Tree Identification Hike

Discover the Forest Through Its Trees

Learn to recognize Pennsylvania's native trees by their leaves, bark, and growth patterns. Explore how trees grow, understand their ecological roles, and discover common species such as maple, oaks, beeches, and poplars.

Date: Saturday, October 10th **Time:** 9-10am

Fee: \$8 **Location:** CREC

Winter Tree Identification Hike

Discover the Forest Beyond the Leaves

Learn to identify Pennsylvania's native trees during the winter season using bark, buds, branching patterns, twigs, and overall tree form. Discover how trees adapt to the colder months, recognize common species such as maples, oaks, beeches, and poplars without their leaves, and gain the skills to identify trees year-round.

Date: Saturday, November 21st **Time:** 9-10am

Fee: \$8 **Location:** CREC

Prepping Your Garden for Fall/Winter

Get your garden ready for the colder months with Todd Johnson, a Penn State Master Gardener volunteer. Learn how to enrich soil, protect your tools, plan for next season, grow cool-weather crops, compost through winter, and use fallen leaves to support backyard wildlife.

Date: Wednesday, September 23rd **Time:** 6-7:15pm

Location: CREC

FREE. Registration required.

Landscaping with Native Plants

Explore the benefits of native plants with Todd Johnson, a Penn State Master Gardener volunteer. Learn how native and keystone plants support pollinators and wildlife, replace lawn, manage rainwater, and help control invasive species. Get practical tips for creating a healthier, more sustainable landscape.

Date: Monday, September 28th **Time:** 6-7:15pm

Location: CREC

FREE. Registration required.

Memorial Bench

Purchase a memorial bench as a meaningful way to honor the memory of a loved one - a lasting tribute in a peaceful, natural setting. Complete an application from our website. You pick the park and location (needs to be approved by Rec. Dept.)

Fee: \$800 includes bench, plaque and installation.

Time: 6-9pm

Park Improvements

Brookline Park

More than 300 residents turned out on May 7th for the ribbon cutting on Brookline Park's new playground and basketball court, and the excitement was well earned -- neighbors have already embraced the new equipment and court. This phase also included new trees, shrubs, and a rain garden to the park. Up next: parking improvements and fencing along Sagamore Road.

Commissioners Hart, Trombetta, and Quinn cutting the ribbon along with members of Brookline Master Plan Committee

Darby Creek Trail extension from Merry Place

Darby Creek Trail Extension

The Darby Creek Trail extension is complete, running from Merry Place to McDonald Field with beautiful creek views and significant stream bank restoration along the way. A newly finished spur also connects the trail to the Burmont and Glendale Road intersection. This project was made possible through grant funding from Delaware County Greenways, the Delaware Valley Regional Planning Commission, and Commonwealth Financing Authority. Join us for a ribbon cutting on **Saturday, October 10th at 11am** - follow us on Instagram and/or Facebook for details.

Polo Field Improvements

Earlier this year, a Township-formed focus group set out to reimagine Polo Field and in July, they delivered their recommendations. The plan includes a new basketball court, play equipment, adult fitness equipment, a pavilion, historical signage, seating, and trees. The play equipment and adult fitness equipment are already installed, with the basketball court on track for completion in September. Follow us on Instagram and/or Facebook for information on a future ribbon cutting.
